

ACTIVITIES

Dr.sc. Veljko Zlatić was the organizer and director of the following international conferences on electronic systems with strong inter-electronic correlations:

1. Conference on Concepts in Electron Correlation, Hvar, Croatia, 1999,
2. Conference on Concepts in Electron Correlation, Hvar, Croatia, 2002,
3. NATO ARW on Strongly Correlated Electron Systems, Hvar, Croatia, 2002
4. Conference on Concepts in Electron Correlation, Hvar, Croatia, 2005,
